## Training & Placement Cell

Email: [gpmalvantpo@gmail.com](mailto:gpmalvantpo@gmail.com)

Government Polytechnic, Malvan Dist. Sindhudurg, is one of the premier institutes in Kokan Region working under Directorate of Technical Education (DTE), Maharashtra and is recognized by All India Council for Technical Education (AICTE), New Delhi which offers Diploma courses in Mechanical Engineering, Civil Engineering, Electrical Engineering, Electronic Engineering, Computer Engineering and Food Technology.

Students passed out from GP Malvan have contributed to the incredible pace of India's growth over the last couple of decades. The access to best in class academics and facilities at GP Malvan provides our students the tools to excel in this highly competitive and fast advancing world. Training and Placement Cell has been striving continuously to match the students with their dream jobs, resulting in a win-win situation for the student and the hiring organization.

Training and Placement Cell of GP Malvan is also known for its strong relations with the industry. Institute has always been a favorite destination of recruitment for many firms like Bajaj Auto, General Electricals, Tata Motors, L & T Constructions, Konzert Toolings, ThoughtWorks etc.

The Training and Placement Cell act as the nodal point of contact for companies seeking to establish a fruitful relationship with the institute and conducting the campus recruitment drives at the Institute.

### **Vision**

**To provide** technically qualified, skilled & competent human resource to industries with core values of – ‘Sincerity’, ‘Hard Work’ and ‘Ethics’.

### **Mission**

- To assist students in obtaining placement in reputed companies.
- To act as a link between students, alumni, and the employment community.
- To Maintain and regularly updating the database of students, companies and establishing strategic links for campus recruitments.
- To gather information about job fairs and all relevant recruitment advertisements.
- Identifying the needs and expectations of the companies to assist them in recruiting most suitable candidates.

### **Objective**

Training and Placement Cell is to guide students to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the Industry.
